How to get CGPA 4.0?

```
Youtube Lecture/Class ----> Lab Assignments (on your own)
--> pSet (ST_Badhon) --> Past Quiz & LabExam --> pSet (central) --> Past mid & final
```

Detailed: `./cg4.md`

 **Note**

You might get what is called "resource fatigue" from all the different stuffs in this repository. 🤔
That is exactly why we'll ask you to follow the sequence right above.
Good luck studying Java!
